Agenda 11/16

Design critiqued

UI

Data model

Proposed changes:
User comments after RSVP

Concepts

- Event
- To-Do
- Category
- Attendance

Basic Plan

Opting for horizontal development instead of assigning people vertical features.
Pros:
We can focus more on their strengths and experience
Cons:
We will need to coordinate more and rely on other people's code getting done on time

Tech Stack

Node.js & Express.js
MongoDB & Mongoose
Heroku

Division of work

Captains:
User Interface - Amanda
Server - Sin
Database - Sam
Aux: Ever
